Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The primary reason for allowance is that the formulation of the closest prior art White, US 5,431,916 contains tri-ester, which is an essential component of the White formulation and tri-esters are viscous liquids with a bitter taste. Applicants declare that the formulation of White is determined to be unacceptably bitter in a tasting experiment conducted by the applicants (see applicants' declaration). Therefore, the pending claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Blessing M. Fubara whose telephone number is (571) 272-0594. The examiner can normally be reached on 7 a.m. to 5:30 p.m. (Monday to Thursday).
